

## Garage for Sale to Castelverrino

**47 square meters | Locals: 1**

In the centre of the small village of Castelverrino, there is a large garage of about 50 square metres. At the back of the building is a small plot of land which is included in the sale price.

Castelverrino is a small town located on the right side of the Valley of Verrino and situated in the Valley between the morge Pietrabbondante and the municipalities of Poggio Sannita and Agnone, near the border with Abruzzo. The type of landscaping is that high-hills with extensive cultivation of forage, olives and vine.

The sublime beauty of the landscapes and the presence of a rich culture of traditions, make this small village a great resource. Castelverrino is well connected to major cities and airports of Central South: Pescara and Naples are about an hour and a half, Roma about two and a half hours.
