

Apartment for Sale to Pescopennataro

75 square meters | Bathrooms: 1 | Rooms: 2 | Locals: 3

In the heart of the historic center of Pescopennataro, close to the mother church, delightful newly renovated apartment. The apartment is located on the third floor of a building, it has its own entrance thus being totally independent from it. It enjoys superb views. It has a beautiful large living room with fireplace but there is no central heating.

Described as "the land of the fir trees and stone," Pescopennataro is one of the villages of Very-High-Molise and a member of the "authentic villages of Italy". Pescopennataro is an important locality for lovers of mountain sports: in addition to various ski and other sports facilities (tennis, soccer, volleyball, bowling, an ice rink, etc), the village also has a great relevance at national level for climbing and mountaineering. Pescopennataro is well connected to all major cities and airports in the south-central: Pescara and Naples are approximately two hours and Rome about two and a half hours.
